

Dear Parents/Carers,

As part of our topic 'Changes' we will be going for a walk to the Library to select books that will help us learn more about the topic. We will be listening to some stories about the weather, clothes and seasons. We will also complete a craft activity. After that, we will be walking to the local fruit and vegetable shop to buy a piece of fruit for a snack. Please could your child check their money boxes for £1 to take with them. We will be sending the change home. We will be asking your child to make different combinations of money and buy their chosen snack. If you have £1 in change that would be great if not we will make £1 in different ways before we go.

Please could the money be in by Wednesday 24th January.

We will be taking part in the local walk on Thursday 25th January.

Thank you

Kind Regards

Mrs Cribb
