Dear Parents/Carers,

You will be pleased to know the works on the demountable will be finished next week and should help to improve the safety in and around the carpark.

However, to ensure our pupils are safe at all times please could you help in the follow way:

- Please do not park on the zig-zags outside the main gates.
- When the main gates open at 8:45a.m, please wait with your child (do not allow them to run around) on the school road between the main gates and the start of the canteen until the bell rings at 8:50a.m. This ensures our pupils are always away from the carpark.

Thank you for your comments and your continued support in this matter.

Kind regards

Mrs B Davies

Executive Headteacher
