

Charity Fun Run

Dear Parents/Carers,

We are organising a fun run for pupils to raise money for three charities with connections to the school:

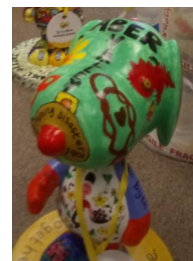

- Abbie's Army, who have been supporting the cousin of one of our pupils.

- The Teenage Cancer Trust, nominated by a former pupil, who is ill herself.

- The Dogs Trust, who worked with us on our Snoopy art project. We'll let you know where you can spot him, as soon as we hear.

The Fun Run is on Wednesday 6th April in the school grounds (weather permitting). We would like the children to wear sports clothes/t-shirts and shorts or joggers of their choice.

We would be grateful if family members and friends could give a little money. Any donations will be very gratefully received. We are very aware of how difficult things are financially for many people at the moment, but know that the children have been brought up to help those less fortunate than themselves.

If would be great if all donations could be in by Thursday 7th April. Thank you so much for all your support.

The Helping Hands Committee
