

Cwmaber Junior School

Governors' Annual Report to Parents

2023-24

The Governing Body is no longer required to hold an annual meeting with parents to discuss the report. This requirement has been replaced with the duty of the Governing Body to hold meetings on receipt of a parental petition as outlined in the School Standards and Organisation 2013 Act.

A note from the Chairperson.....

We continue to be grateful for the support of parents and guardians in supporting the school and keeping it on an even keel. That good relationship between the school and parents/guardians is vital for our pupils to progress.

I am pleased that the collaboration with Cwmaber Infant School in having Mrs Bethan Davies as an Executive Headteacher covering both schools still continues to work well and the two schools are continuing to improve the links between them. The two schools are working well together in implementing the new Curriculum for Wales at both schools so that progression through the curriculum will be seamless for our pupils.

Currently there is a consultation taking place to create a Federation of the school with the Infants School. This would mean that there would be a single Governing Body over both schools instead of the existing two separate Governing Bodies. Each school would remain separate and still retain their own budgets

Members of the Governing Body 2023-24 (As at July 2024)

Governors have not received travel or subsistence from the school's budget for any meetings attended.

Action taken to review School Policies

All school policies are reviewed on a rolling programme.

Awards

- Rights Respecting Gold
- Eco Platinum Renewal

School Development Planning (SDP)

This document identifies clear priorities for the school on an annual basis. Targets are taken from the school's process of self-evaluation after consultation with all staff and the Governing Body. The plan is reviewed termly at GB meetings and progress reported to Governors.

Performance Management

A system for Performance Management for teaching and support staff is implemented throughout the school. Targets are set for each member of staff and incorporated into the School Development Plan.

School Prospectus

A copy of the school prospectus can be found at

[Home | Cwmaber Infant & Junior Schools
\(cwmaberinfantsandjuniors.co.uk\)](http://cwmaberinfantsandjuniors.co.uk)

The following SDP targets were prioritised for 2023-24

- Literacy/Numeracy
- Wellbeing
- The new CfW
- The new ALN Act
- Self Evaluation

Use of the Welsh Language

Cwmaber Junior is an English-medium school.

All pupils are taught through the medium of English. Welsh is taught as a lesson throughout the school and is used incidentally during the day, e.g. for instructions, counting etc. Every week, we have a Welsh assembly, when the story is in Welsh or related to Welsh culture and the songs are in Welsh.

Attendance

Parents are politely reminded that if their child is absent from school, it is necessary to inform the school in writing or by telephone of the reason for the absence - preferably on the first day of the absence.

An illness, medical appointment, family holiday etc., is recorded as an

authorised absence. If no explanation is received by the school then an unauthorised absence is recorded in the register - this category includes holidays of more than two weeks in any given academic year.

Progress Since Last Inspection

The school was last inspected by Estyn Inspection Services in the Autumn Term 2016. All parents were provided with a summary of the Inspection report (full report can be found on the Estyn website). The school was pleased with the findings of the team and progress continues to be made.

Assessment and Progression

We use a range of assessment processes to ensure learners are supported and challenged accordingly. This enables practitioners to plan effectively for learner feedback and progression. When planning knowledge, skills and experiences for our learners, we ensure the Principles of Progression underpin progression across all Areas of Learning.

We work in partnership with the Education Achievement Services (EAS) to ensure we are performing to the best of our ability.

Pupil Development Grant

This is money awarded to the school based on Free School Meal (FSM) numbers. The money was used to employ additional support for pupils.

Premises

The school premises are regularly inspected and routine maintenance work continues throughout the year. The Governing Body continues to develop the interior and exterior of the building. The pupil toilets are of a good standard and kept to a high standard of cleanliness by Caerphilly Cleaning and Mr Richards.

Friends of Cwmaber

Governors, staff and pupils very much appreciate the hard work of our FOC which provides additional resources for our school, as well as subsidising school trips. This year the FOC have organised Autumn disco, raffles, Christmas craft, cinema evening, prom, m

Mothers' and Fathers' Day craft, Easter eggs, and selection boxes.

Feedback

If you have any comments or suggestions, please contact the office or, better still, join us for our next Parents' Forum meeting on 11th November.

The Governing Body would like to thank all parents / carers, the Friends Of Cwmaber, the non-teaching and teaching staff for their continued commitment and support.
