Oct' 2023

Dear Parents/Carers

Please see below a summary of the School Development Targets for this academic year.

Priorities for 2023/24 under the Estyn Inspection framework headings will focus on:

Target1

- To continue to improve standards in oracy, reading and writing through the use of Voice 21.
- To deepen learners' understanding and application of maths skills through authentic experiences and learner Portfolios.
- To continue to embed a strong Welsh ethos.
- Embed the teaching of MFL across the school.

Target 2

- To engage in the Rady Project working alongside RADY Coach (led by CJS)
- To engage with WG 'Whole School Approach to Emotional and Mental Wellbeing Framework' embedding a whole-school approach to mental health and emotional well-being
- Improve pupil attendance with specific focus on vulnerable groups
- To improve provision for MAT learners (led by CIS)

Target 3

- To further embed the New Curriculum for Wales and to provide further opportunities for Professional Learning incorporating the Twelve Pedagogical Principles.

Target 4

- To further embed wellbeing and equity for all by implementing year 3 of the ALN Act

Target 5

- To further develop and strengthen effective self-evaluation and school improvement processes in order to continue to improve the quality of learning, teaching, leadership and outcomes for learners

If you have any comments or suggestions, please email or ring or come along to the parents' working party on Tuesday 24th October at 2pm in the Juniors.

Kind regards

Mrs B Davies

Executive Headteacher
