

Footsteps Cwmaber is coming!

Dear Parents and Carers,

Following our letter in the Summer Term, I wanted to write to you to give you an update on the childcare service we will be offering from the Infants School and reassure you all that Footsteps is coming to Cwmaber!

Unfortunately, there were some jobs that needed to be carried out on the building and outdoor area and this has delayed things slightly and meant we have not been able to be ready and open for the start of the Autumn Term. However, we have been busily working hard and I have been in regular contact with the Care Inspectorate (CIW) and we are hoping that registration will not be too far away.

We have been successful in changing our original approach to opening following the questionnaire we sent out and from speaking with lots of you at the school summer fayre. As a result of the demand for an after-school club, this will now be offered from the start. We will still also continue to offer Flying Start and Wraparound care as planned. Further information regarding opening times, funding and fees will be provided very soon.

If you haven't already done so and are looking to use Footsteps Cwmaber when it opens for Flying Start, wraparound and/or after-school club, please contact us, with an expression of interest, as soon as possible on childcare@footstepsdaynursery.co.uk or complete the survey, if easier, by clicking on the link below.

For those who have already emailed or completed the survey, we will be in contact with you very shortly.

Over the next few weeks, our new furniture and resources will be arriving and we hope to finally be able to welcome you through our doors. If you have any questions in the meantime, please do not hesitate to contact us.

Yours Sincerely
