

Overview of School Development Plan -2026-2027

- To develop a love of reading and enjoy choosing and sharing books
- To improve reading skills across all areas of learning
- To make sure everyone gets the help they need to become a great reader
- Develop "learning to read, reading to learn, reading critically"
- To help everyone feel confident using coding, problem-solving skills and digital tools
- To develop a range of digital skills and apply them confidently in different ways
- To make sure our technology helps pupils learn and do their best
- To ensure that adults provide exciting experiences and learning spaces that help pupils explore, make choices and learn independently
